THE SKILLS YOU NEED TO SUCCEED FROM INSTRUCTORS WITH ON-ICE EXPERIENCE

EHI instructors work closely with you to become a better player. With carefully designed drills, exercises and instructional tools, we provide a complete skill program that slowly helps you master the game's essentials. From skating and stopping to shooting and stick handling, EHI focuses on every aspect of making you a complete hockey player.

To play the game is to love it. To play it well - is to live it. Exactly what Elite Hockey Instructors Michael Hendrix, Andy Calandro and Brad Preston have done for a combined 12 years. So when you or your child enrolls in EHI, you can be sure you'll be learning from those who know the game firsthand, instead of just reading about it.
